A photograph of a person's silhouette standing in a doorway, looking out into a bright, overexposed area. The person is positioned in the center-left of the frame. The doorway is framed by dark wood or trim. The background is a bright, glowing light source, possibly a window or an open door leading outside. The overall mood is contemplative and artistic.

Oh I am, oh I am,  
I never met a soul  
like me certain things  
wouldn't be so much  
a soul like me  
I never found  
like me.
